

## Confident Christian Leadership- Part 2

### Highlights

- If we are going to be culture shapers we have to continue on our faith journey.
- God guides us with the Word of God
- We must have a hunger for the Word, and it must be consistent, not just grazing
- 2 Peter 3:18 – grow in the grace and knowledge of the Lord Jesus Christ
- There is no such thing as 5 easy steps to spiritual growth
- Everyone struggles with spiritual growth
- Mike's Tool:
  1. Need: If we are going to grow, we have to realize we have a need. ( Ex: I need to be in the Word of God)
  2. Objective: "I'm going to do"
  3. Program & Plan: "Here is what I am going to do"
  4. Methods & Materials: The tools to help you; journal, book, online etc...
  5. Daily Discipline: Now you have to do it, making it a part of your life.
  6. Evaluation: Now we evaluate what do we need to do next after it (ex: quiet time) is integrated into your life.
- These charts can be legalistic or instructional. The difference in is our motivation.
- Discipline is remembering what you want.
